**PETITIONING THE COURT**

To issue a warrant and to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 4/24/2023.

On April 4, 2023, the conditions of supervision were reviewed with Mr. Binford. He signed his judgment acknowledging an understanding of his conditions of supervision.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

5

**Mandatory Condition # 3:** You must refrain from any unlawful use of a controlled substance. You must submit to a drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the court.

**Supporting Evidence:** It is alleged that Mr. Binford is in violation of his conditions of supervision by using methamphetamine and fentanyl on or about August 22, 2023.

On August 22, 2023, Mr. Binford reported to the probation office as instructed. He submitted to a urinalysis test, which returned presumptive positive for methamphetamine and fentanyl. He denied use and it was sent to the lab for confirmation. After further questioning, Mr. Binford stated he had an altercation with a female and "she may have put meth in my water or something."
